

Следните двойки точки съвпадат:

1. Euler Product of the Nine-Point Center and the Incenter.
 2. Perspector and Homothetic Center of the Euler Triangle of the Incenter and the Johnson Triangle.
-
1. Perspector and Homothetic Center of the Euler Triangle of the Euler Reflection Point and the Medial Triangle.
 2. Perspector and Homothetic Center of the Euler Triangle of the Center of the Jerabek Hyperbola and the Half-Median Triangle.
-
1. Perspector and Homothetic Center of the Euler Triangle of the Internal Center of Similitude of the Incircle and the Circumcircle and the Inner Yff Triangle.
 2. Perspector and Homothetic Center of the Euler Triangle of the External Center of Similitude of the Incircle and the Circumcircle and the Outer Yff Triangle.
-
1. The Perspector and Homothetic Center of the Euler Triangle of the Johnson Midpoint and the Inner Yff Triangle.
 2. Perspector and Homothetic Center of the Euler Triangle of the Harmonic Conjugate of the Johnson Midpoint and the Outer Yff Triangle.
-
1. Perspector and Homothetic Center of the Euler Triangle of the Center of the Inner Johnson-Yff Circle and the Inner Yff Triangle.
 2. Perspector and Homothetic Center of the Euler Triangle of the Center of the Outer Johnson-Yff Circle and the Outer Yff Triangle.
