

XXVII INTERNATIONAL SCIENTIFIC CONFERENCE TRANSPORT 2025

*September 25 – 27, 2025, Hotel Samokov,
Borovets, Bulgaria*

„Todor Kableshkov“ University of Transport
Sofia, Bulgaria

АЗ·БУКИ

Az-buki National Publishing House
Sofia, 2026

The International Scientific Conference “Transport” has been organized by Todor Kableshkov University of Transport for more than three decades. It is a large-scale and prestigious scientific forum in the field of transport, traditionally attended by distinguished scientists and researchers from various countries, as well as representatives of research institutions, professional organizations, and companies from the transport sector. Participants present their scientific achievements across all areas of transport, exchange valuable professional experience, and discuss topics of importance not only at the local and regional levels, but also at the international level.

The following scientific areas are covered:

- Technology, Organization and Management of Transport
- Safety and Reliability of Transport
- Economic Issues of Transport
- Trends and Innovations in Transport Education
- Engineering Logistics and Building Equipment
- Transport Equipment
- Mechanics, Mechatronics and Mathematics
- Transport Infrastructure
- Transport and Ecology
- Electric Power Systems and Equipment in Transport
- Telecommunications and Signaling Equipment, Automation Systems in Transport
- Electronics, Automation and Mechanization
- Materials Science and Technologies
- Architecture and Civil Engineering
- Maritime Transport and Technologies
- Applied linguistics and specialized translation

CONFERENCE PROGRAMME COMMITTEE

Chairman:

Prof. Krasimir Krastanov, PhD – Rector, Todor Kableshkov University of Transport, Bulgaria

Vice-Chairman:

Assoc. Prof. Nina Gergova, PhD – Vice-Rector for Research and International Activities, Todor Kableshkov University of Transport, Bulgaria

HONORARY MEMBERS:

Grozdan Karadjov – Deputy Prime Minister and Minister of Transport and Communications, Bulgaria

Krasimir Valchev – Minister of Education and Science, Bulgaria

MEMBERS:

Prof. Tatiana Čorejová, PhD – Doctor Honoris Causa of “Todor Kableshkov” University of Transport, University of Zilina, Slovakia
Prof. B. Hofmann-Wellenhoff, PhD – Doctor Honoris Causa of “Todor Kableshkov” University of Transport, Technical University of Graz, Austria
Prof. Mustafa Karasahin, PhD – Doctor Honoris Causa of “Todor Kableshkov” University of Transport, Istanbul University, Turkey
Prof. Eckehard Schnieder, PhD – Doctor Honoris Causa of “Todor Kableshkov” University of Transport, Technical University of Brawnschweig, Germany
Prof. Stoyan Bratoev, PhD – Doctor Honoris Causa of “Todor Kableshkov” University of Transport, Bulgaria, Metropolitan EAD, Bulgaria
Prof. Boyan Mednikarov, DSc – Doctor Honoris Causa of “Todor Kableshkov” University of Transport, Naval Academy “Nikola Yonkov Vaptsarov”, Bulgaria
Prof. Jan Celko, Dsc – Zilina University, Slovakia
Prof. Zdenek Dvorak, PhD – University of Zilina, Slovakia
Prof. Jozef Ristvej, PhD – University of Zilina, Slovakia
Prof. Monika Hudáková, PhD – Bratislava University of Economics and Management, Slovakia
Prof. Zoran Cekrevac, PhD – MB University, Serbia
Prof. Wang Bo, PhD – Ningbo, China
Prof. Emil Velinov, PhD – University of Applied Sciences, Riga, Latvia
Prof. Leszek Korzeniowski PhD – European Association in Security, Poland
Prof. Mustafa Hatipler, PhD – Trakya University, Turkey
Prof. Goran Markovic, PhD – University of Kragujevac, Serbia
Prof. Dragan Petrovic, PhD – University of Kragujevac, Serbia
Prof. Ana Savic, PhD- Chairwoman of the Academy of Technical and Art Applied Studies, Belgrade, Serbia
Prof. Sandra Kasalica, PhD Academy of Technical and Art Applied Studies, Belgrade, Serbia, School of Railroad Transport, Belgrade, Serbia
Prof. Zoran Pavlovic, PhD, Academy of Technical and Art Applied Studies, Belgrade, Serbia, School of Railroad Transport, Belgrade, Serbia
Prof. Serghei Ohrimenco, DSc – Academy of Economic Studies of Moldova
Fleet Admiral Prof. Kalin Kalinov, DSc – Naval Academy “Nikola Yonkov Vaptsarov”, Bulgaria
Prof. Maya Lambovska, DSc – University of National and World Economy, Bulgaria
Prof. Hristina Nikolova, PhD – University of National and World Economy, Bulgaria
Prof. Nikolay Shterev, PhD – University of National and World Economy, Bulgaria
Assoc. Prof. Eva Sventeková, PhD - University of Zilina, Slovakia
Assoc. Prof. Bohuš Leitner, PhD – University of Zilina, Slovakia
Assoc. Prof. Ľuboš Cibák, PhD – Bratislava University of Economics and Management, Slovakia
Assoc. Prof. Michal Fabuš, PhD – Bratislava University of Economics and Management, Slovakia
Assoc. Prof. Marian Kováč, PhD – Bratislava University of Economics and Management, Slovakia

Assoc. Prof. Stanislav Filip, PhD – Bratislava University of Economics and Management, Slovakia

Assoc. Prof. Mario Bogdanović, PhD – Istrian University of Applied Sciences in Pula, Croatia

Assoc. Prof. Milanka Bogavac, PhD – MB University, Serbia

Assoc. Prof. Mišo Bjelić, PhD – University of Kragujevac, Serbia

Ass. Prof. Milan Bizic, PhD – University of Kragujevac, Serbia

PhD Vladimir Mandić – University of Kragujevac, Serbia

Chief assist. Selcuk Duranlar, PhD – Trakya University, Turkey

Mgr. Ľubica Filipová, PhD – Bratislava University of Economics and Management, Slovakia

Prof. Nencho Nenov, DSc – “Todor Kableshkov” University of Transport, Bulgaria

Prof. Daniela Todorova, PhD – “Todor Kableshkov” University of Transport, Bulgaria

Assoc. Prof. Yulia Varadinova, PhD – Vice Rector of Academic Affairs, “Todor Kableshkov” University of Transport, Bulgaria

Prof. Desislava Yosifova, DSc – “Todor Kableshkov” University of Transport, Bulgaria

Prof. Nikolay Georgiev, PhD – “Todor Kableshkov” University of Transport, Bulgaria

Prof. Georgi Pavlov, PhD – Dean of Faculty of Telecommunication and Electrical Equipment in Transport

Prof. Galina Cherneva, DSc – “Todor Kableshkov” University of Transport, Bulgaria

Prof. Emiliya Dimitrova, PhD – “Todor Kableshkov” University of Transport, Bulgaria

Prof. Mira Zafirova, PhD – “Todor Kableshkov” University of Transport, Bulgaria

Prof. Bogdan Gilev, PhD – “Todor Kableshkov” University of Transport, Bulgaria

Prof. Nikolay Tontchev, Dsc – “Todor Kableshkov” University of Transport, Bulgaria

Prof. Dimitar Dimitrov, Dsc “Todor Kableshkov” University of Transport, Bulgaria

Prof. Ventsislav Trifonov, PhD – Todor Kableshkov University of Transport, Bulgaria

Assoc. Prof. Ivan Stoyanov Mitev, PhD – University of Mining and Geology St. Ivan Rilski, Bulgaria

Assoc. Prof. Borislav Arnaudov, PhD – University of National and World Economy, Bulgaria

Assoc. Prof. Daniel Iordanov, PhD – University of National and World Economy, Bulgaria

Assoc. Prof. Ilia Gatovski, PhD – University of National and World Economy, Bulgaria

Assoc. Prof. Miryana Evtimova, PhD – Dean of Faculty of Machinery and Construction Technologies in Transport, “Todor Kableshkov” University of Transport, Bulgaria

Assoc. Prof. Boris Petkov, PhD – “Todor Kableshkov” University of Transport, Bulgaria

Assoc. Prof. Blagoika Paleva-Kadijska, PhD – “Todor Kableshkov” University of Transport, Bulgaria
Assoc. Prof. Vasko Nikolov, PhD – “Todor Kableshkov” University of Transport, Bulgaria
Assoc. Prof. Nina Dimitrova, PhD – “Todor Kableshkov” University of Transport, Bulgaria
Assoc. Prof. Lyubomir Sekulov, PhD – “Todor Kableshkov” University of Transport, Bulgaria
Assoc. Prof. Orlin Kolev, PhD – “Todor Kableshkov” University of Transport, Bulgaria
Assoc. Prof. Zlatin Trendafilov, PhD – “Todor Kableshkov” University of Transport, Bulgaria
Chief assist. Galina Petkova, PhD – “Todor Kableshkov” University of Transport, Bulgaria
Eng. Yassen Ishev – Chairman of the Board of Directors of the Scientific and Technical Union for Transport, Bulgaria
Martin Angelov – Holding BDZ, Bulgaria
Eng. Aleksandar Vetskov – National Railway Infrastructure Company, Bulgaria
Eng. Todor Esev – Transport Construction and Reconstruction EAD, Bulgaria
Stilyan Manolov, Executive Director of “Stolichen Autotransport” EAD

CONFERENCE ORGANIZING COMMITTEE:

Chairman:

Assoc. Prof. Nina Gergova, PhD – Vice-Rector for Research and International Activities, Todor Kableshkov University of Transport, Bulgaria

Vice-Chairman:

Assoc. Prof. Vasko Nikolov, PhD – “Todor Kableshkov” University of Transport, Bulgaria

MEMBERS:

Prof. Rumen Ivanov, PhD – “Todor Kableshkov” University of Transport, Bulgaria
Assoc. Prof. Martina Tomcheva, PhD – “Todor Kableshkov” University of Transport, Bulgaria
Assoc. Prof. Boryana Rogozherova, PhD – “Todor Kableshkov” University of Transport, Bulgaria
Chief assist. Violina Velyova, PhD – “Todor Kableshkov” University of Transport, Bulgaria
Senior Lecturer Vesela Dyakova – “Todor Kableshkov” University of Transport, Bulgaria
Chief assist. Kalina Semova, PhD – “Todor Kableshkov” University of Transport, Bulgaria

XXVII INTERNATIONAL SCIENTIFIC CONFERENCE TRANSPORT 2025

September 25 – 27, 2025, Hotel Samokov, Borovets, Bulgaria

Publisher: Az-buki National Publishing House

Printer's sheets: 21,5

Size: 70/100/16

Layout Design and Prepress: Ivo Hristov

Printing House: M&BM Ltd

ISBN: 978-619-7667-87-5

DOI: 10.53656/isct-2025

The Organizing Committee of the 27th International Scientific Conference “Transport 2025” expresses its sincere gratitude to Holding BDZ EAD, the National Railway Infrastructure Company, and the National Publishing House “Az-Buki” for their support in the organization and successful realization of the conference.

We highly appreciate their trust, partnership, and contribution to the advancement of transport science and education.

The Organizing Committee of the 27th International Scientific Conference “Transport 2025” would also like to express its gratitude to all authors, reviewers, and participants for their valuable contribution to the successful conduct of the conference.

CONTENT

Technology, Organization and Management of Transport

Analysis of the Average Speeds of Passenger Trains in Bulgaria on the Main Railway Routes, according to the Annual Train Schedule for 2025 / *Julia Varadinova, Petar Kostadinov* 11

Classification and Evaluation of Methods for Determining Railway Infrastructure Capacity / *Plamen Kasovski, Mirena Todorova* 21

The Place and Role of AI in Transport Systems Management / *Ivan Manchev, Dimitar Dimitrov*..... 31

Implementation of Sustainable Indicators for Effective Evaluation and Monitoring of Transport Projects / *Irena Petrova* 41

Analysis and Challenges for IoT & AI in Building and Implementing Smart Rail Transport Systems / *Krassimir Lalov, Dimitar Dimitrov* 50

Safety and Reliability of Transport

Safety Risks and Zoning Approaches at Multi-Fuel Supply Stations in Transitional Energy Systems / *Zoran Čekerevac, Lyudmila Prigoda, Milanka Bogavac*..... 60

Economic Issues of Transport

Integrating the Valorization of External Transport Costs into the Efficiency Assessment of Road Infrastructure Investment Prioritization / *Christina Nikolova* 78

Performance Management in Automotive Companies: Trends, Technologies, and Workforce Strategies in 2025 / *Emil Velinov, Natalia Konovalova* 95

Road Safety as a Factor in the Perceived Safety of the Population of Cities and Municipalities in Slovakia / *Stanislav Filip, Ľubica Filipová, Marek Semerád* 104

Check List as a “Transport Control Mechanism for Patient Information” as Part of Improving the Quality and Safety of Healthcare / *Ivica Gulášová, Frederika Gubánová* 123

Leases – Business Opportunity or Source of Risk? (Analytical Approach to Financial Sustainability) / *Magdalena Petrova-Kirova* 139

Dynamic Programming for Assessing the Effectiveness of Intelligent Transport Systems in Achieving Sustainable Development Goals / *Christina Nikolova, Marta Klisurova* 149

Job Displacement Due to Favoritism: an Analysis of Challenges for the Employment / *Ivan Petkov, Dimitar Kolev* 162

Trends and Innovations in Transport Education

Gender Disparities in Engineering Education and their Long-term Economic Consequences in the Labor Market / *Kimete Canaj, Anisa Balla* 171

Transport Equipment

Study of Brushless Motor Control Methods Based on ai Algorithms / *Roman Petrov, Nikita Yakovlev* 193

Innovative Platforms Based on Artificial Intelligence in Educational and Research Institutions / *Zoran G. Pavlović, Ana Savić* 204

Prediction of Train Derailment Locations Using Artificial Neural Networks / *Milan Milosavljević, Biljana Milosavljević, Marko Bursać, Sandra Kasalica* 214

Mechanics, Mechatronics and Mathematics

Differential Method for Synthesis of Cam-lever Mechanisms for Generation of Non-strict Monotonous Position Functions / *Vitan Galabov, Roumen Roussev, Blagoyka Paleva-Kadiyska* 225

Type Synthesis of Guidance Mechanisms with a Four-bar Topological Structure / *Blagoyka Paleva-Kadiyska, Vitan Galabov* 235

Electric Power Systems and Equipment in Transport

Experimental Study and Analysis of the Energy Performance of Thyristor Rectifiers for Traction Substations / *Todor Lalev, Martina Tomcheva, Detelina Pavlova* . 245

An intelligent Control Approach for Freeway Ramp Metering / *Hassane Abouaïssa, Vasil Dimitrov* 256

Telecommunications and Signaling Equipment, Automation Systems in Transport

Project-based Approach to Risk Management of Transport Company Information Systems / *Mario Bogdanović, Deni Vale* 266

Research and Analysis of the Operational Results after the Implementation of a Train Control System with Grade of Automation GoA3 on the Metro Line 3 in Sofia / *Svetoslav Tomov, Emilia Dimitrova* 275

Reliability Assessment of Railway Signaling Systems Using Fault Tree Analysis / *Vasil Ivanov, Emiliya Dimitrova* 285

Evaluation of the Characteristics and Coverage Area of the Lorawan Network / *Emil Iontchev, Rashko Vladimirov, Rosen Miletiev, Tsvetan Petrov*..... 295

Electronics, Automation and Mechanization

A Method for Building a Telecommunication Network Topology Based on the Cluster Hierarchy / *Illia Syvolovskyi, Volodymyr Lysechko, Maksym Surhai Olena Lozko, Serhiy Kaduk, Oleksii Mohylnyi, Ivan Kozhedub, Galina Cherneva* 306

Materials Science and Technologies

Effect of Zirconium Substitution on the Microstructure and Functional Properties of Intermetallic Alloys for Hydrogen Storage / *Nikolay Tonchev* 315

Multiparametric Study of Cutting Accuracy in Laser Cutting by Controlling Technological Parameters / *Nikolay Hristov, Victor Georgiev* 324

Architecture and Civil Engineering

Research on the Stability of Caisson Foundations / *Stoyana Kostova* 335
